嵌入式射灯

RECESSED SPOTLIGHTS

专为商业空间设计开发,是完全服从于项目整体空间的多样性嵌入式灯具,超窄边或无边的隐藏设计使灯体完全融入到建筑中,建筑及其内部空间在表面和光线的相互作用中,显露出来的光线具有卓越的视觉舒适性,专门针对项目需求订制的芯片,高显色性,光色纯正,一致性佳,从性能、功能、外观、使用方式等多方面为客户提供更多选择、更系统的解决方案、更优良的产品性能,以客户为中心,通过产品为客户赋能。

适用场景:星级酒店大堂,博物馆,展览厅或贸易中心等。

Designed for commercial space design and development, it is a diversity of embedded lamps completely subject to the overall space of the project. The ultra-narrow or boundless hidden design makes the lamp body completely integrated into the building. The building and its internal space in the interaction between the surface and the light, the light revealed has excellent visual comfort. Good consistency, from the performance, function, appearance, use and other aspects to provide customers with more choices, more systematic solutions, better product performance, customer-centric, through the product to empower customers.

慕洁系列

MuJie Series

本系列产品采用铝合金压铸，散热性能好，外观简约时尚；
This series of products adopts aluminum alloy die-casting, good heat dissipation performance, simple and fashionable appearance;
精准配光,多角度可选,高端LED光源,高光效、高显色。
Accurate light distribution, multi-angle optional, high-end LED light source, high light efficiency, high color rendering.

应用场所:酒店会所、商业展示、别墅家居、精装楼盘等。
Application places: Hotel club, commercial exhibition, villa home, hardcover real estate, etc.

饕餮系列

TaoTie Series

中国古代的餐饮文化源远流长，有着丰富的内容和独特的特点。古人在用餐过程中不仅追求美味更注重烹调技艺和用餐礼仪。因此，他们对餐饮的雅称也多有润色和美化之处。中国古代的餐饮被赋予了许多雅称，其中最常见的是“饕餮”一词。饕餮是一个形容非常美味的词语，它常用于描述宫廷的盛宴。古代贵族和皇帝的餐桌上，往往摆满了各种珍馐美味，呈现出繁华而精致的盛景。

The ancient Chinese catering culture has a long history, rich content and unique characteristics. In the process of dining, the ancients not only pursued delicious food but also paid more attention to cooking skills and dining etiquette. Therefore, their elegant name for catering also has a lot of embellishment and beautification. Ancient Chinese cuisine has been given many elegant names, the most common of which is the term "Taotie". The Taotie was a word describing something very delicious. It was often used to describe a royal feast. The tables of ancient nobles and emperors were of ten filled with all kinds of delicacies, presenting a prosperous and exquisite scene.

应用场所: 餐饮、酒店会所、别墅家居等。
Application places: Catering, Hotel club, villa home, etc.
